For discovering the mystery which lies under the sea, swimming in the untouched bays, getting tanned under the sun, having a drink on a wonderful sunset, having a meal under the full moon and sleeping while watching all clear universe. Mediterranean and Aegean coasts are waiting you. Turkey coasts have crystal water, every tones of green on the land, rich historical background, windy areas for sailing and bays like a lake. That's why, blue-cruising in Turkey coasts becoming more popular every year. There are many opportunities for the guests. Everybody can find something for themselves.

You will wake up with a clean air; you will see the smoothest sea and a beautiful view. While you are sailing for another bay, if the wind is adequate, you can sail behind your yacht. You may lie down under the sun, have some drink and read your favorite book or you may get into the sea with a snorkel in order to discover the Aegean blue waters. You can do water sports as windsurfing, water-skiing, wakeboarding. You can have fun while you paddling your canoe in the clean water with a nice natural view, our crew can pull you in a ringo with 90HP dinghy. The kids can spend time playing video games (PlayStation3).

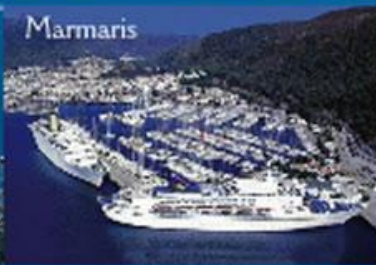

You may also want to improve your photograph skills since you will be looking at an amazing view. You will enjoy the sunset while your tea time. You will hear the nice sounds of the waves and may have long conversation with your friend through the night under the sky or you can have some fun by listening music and dancing on the deck. Your chef will cook the best traditional Turkish and international foods which will be another discovery for you.

We assure you that you will have a better holiday than you expect. Please bear in mind that this is an opportunity that you would never want to miss.
